Antèks home furnishings moving to the Design District

First Smink, now we hear **Antèks** home furnishings will be making the move from Lovers Lane to the Dallas Design District this summer.

Proprietor Jason Lenox is still finalizing details on the new space, but it sounds like it is going to be very cool.

The rustic home shop has been in their Lovers Lane digs for more than 20 years. Originally, we heard that a bank was going to be built here once Antèks moved, but seems those plans have now changed since the financial crisis. (No surprise.)

Change is good. We'll keep you posted on things.

Antèks, 5814 W. Lovers Lane, 214-528-5567
