

ANTEKS FINE FURNISHINGS JOINS THE DALLAS DESIGN DISTRICT

by: [Rayven](#)

The continually-growing Dallas Design District is buzzing about it's newest resident, [Anteks Fine Furnishings](#). After 20 years at their Lovers Lane location, Anteks headed south, opting for an 8,000 square-foot, eco-friendly space in the heart of the Design District. Filled to the brim with collectables, heirlooms, antiques and custom furnishings, Anteks is a hot spot for feathering your nest with rustic, western-chic style. Stop by their new digs at 1135 Dragon Street, at the corner of Howell.
