**[Anteks new location](#)**

*posted by Kristie Ramirez at [4:46 PM](#)*

If you live in Dallas (or Houston for that matter), you know what [Anteks](#) is. It's the best – *The Best* - spot to buy rustic yet chic home furnishings that discreetly whisper “My second home is in A. Aspen OR B. Santa Fe.”

Its location on Lovers Lane is no more as owner Jason Lenox has moved on to bigger and better digs in the Dallas Design District on Dragon Street. I just wanted to post a few pics from the new spot because it's so Texas-centric and I know you guys love home decor posts, too. Lenox handpicks everything and he'll help you develop your burgeoning decorating chops. When you pop in, make sure to ask about his Native American rug collection. Lenox has a killer selection and is known to do everything from hanging them on walls as art (which BTW they are) or draping them over ottomans and sofas.
